Product Description

3-14cm x 30 Meters Aluminum PVC Letterform Signage with LED Light for Indoor Outdoor Use

Product Description:

The Trimless Letterform is made with high-quality materials sourced from Jiangsu, China.

One of the key features of the Trimless Letterform is its unique design that creates a seamless, trimless look for channel letters. This means that the letters appear to be floating on the wall, without any visible screws or attachments. This design creates a sleek and modern look that is sure to impress your customers and clients.

Whether you're creating signs for a restaurant, hotel, or retail store, the Trimless Letterform is a great choice for achieving a professional and polished look. With its easy installation process and durable materials, you can trust that your signs will last for years to come.

So if you're looking for a product that offers both style and function, look no further than the Trimless Letterform. Order yours today and experience the difference in quality and design!
