## Product Description

### 3-14cm Aluminum or PVC Letterform Edge Trimless Led Channel Letters For Indoor Outdoor Advertising Signs

#### Product Description:

Equipped with LED light source, our Trimless Letterform guarantees energy efficiency and superior brightness, making your signage stand out even in low-light conditions. Whether you need it for indoor or outdoor use, this product is built to withstand harsh weather conditions and provide reliable service for years to come.

Our Trimless Letterform product is proudly made in Jiangsu, China, ensuring top-notch craftsmanship and quality control. You can rest assured that you're getting a product that meets international standards and exceeds your expectations.

One of the unique features of our Trimless Letterform product is the use of Aluminium Channel Coil, a high-quality material that provides excellent formability and durability. This material is known for its resistance to corrosion and weathering, making it an ideal choice for outdoor signage.

Our Trimless Letterform product also comes with Primer Coated LetterForm, a special coating that enhances the appearance and protects the surface from scratches and damage. This coating also makes it easier to paint or customize the signage to match your branding or design.

In addition to its functional features, our Trimless Letterform product also offers a wide range of colors to choose from, allowing you to create a customized look that reflects your brand or style. Whether you want a classic white or a bold red, we've got you covered.

Overall, our Trimless Letterform product is a top-of-the-line solution for your signage needs, offering durability, functionality, and customization options that are sure to meet your expectations. Contact us today to learn more about this product and how it can enhance your business's visibility and branding.
