Product Description

30 Meters Trimless Letterform The Ultimate Solution for Both Indoor and Outdoor Spaces

Product Description:

The Trimless Letterform is made with a double aluminum edge strip, which ensures that the product is strong and long-lasting. The edges are coated with a primer to prevent rust and to ensure that the product remains in good condition even after years of use. The unique Letterform fabrication material is both lightweight and easy to install, making it the perfect choice for any space where you want to display letters or words.

The Trimless Letterform comes in a width range of 3-14cm, which makes it a versatile product that can be used in a variety of settings. Whether you are looking to decorate a large space or a small one, the Trimless Letterform is the perfect product for you. You can choose from a wide range of colors to match your decor, and the product is easy to install with simple tools.

The Trimless Letterform is made from high-quality aluminum and PVC materials, which ensures that it is both sturdy and lightweight. The aluminum edges make it strong and durable, while the PVC material ensures that it is easy to install and maintain. The unique fabrication material used in this product makes it stand out from other letterform products on the market, and it is sure to impress anyone who sees it.

If you are looking for a modern and unique way to display letters or words in your space, the Trimless Letterform is the perfect product for you. Made with high-quality materials and a unique fabrication process, this product is sure to impress and last for years to come.
