Product Description

Channel Letter Arrow Type Trim Cap With Aluminum Alloy Coil Competitive Channel Letter Trim Cap

Product Description:

Our high-quality Aluminum Trim Cap is an essential component for creating channel letters. It is made from durable Aluminum Alloy Coil material and sourced from Jiangsu, China. The trim cap is available in four different colors, and it comes in various widths including 68MM, 70MM, 76MM, and 93MM. The J type trim cap and R Edge 3D Aluminium Channel Coil design make it easy to install and provide a neat finish. Our Aluminum Trim Cap is suitable for various applications, but it is primarily used for creating channel letters. Invest in our Aluminum Trim Cap to create signage that is both visually appealing and long-lasting.
